

Fiscal Year 2011: Appropriations Committee

Congressman Steve Rothman

Appropriations Requests made for Fiscal Year 2011

(listed alphabetically)

Proposed Recipient: A Child Is Missing (ACIM)

Address: 500 SE 17th Street, #101, Ft. Lauderdale, FL 33316

Project Title: A Child Is Missing-New Jersey

Amount Requested: \$200,000

Justification: Funding will help A Child Is Missing (ACIM) assist law enforcement agencies in New Jersey to find missing children and elderly adults. ACIM is the only program of its kind that assists in all missing persons cases involving abduction, children who are lost, wander or run away, the elderly (Alzheimer's), and mentally and physically challenged individuals.

Proposed Recipient: Adler Aphasia Center

Address: 60 West Hunter Ave, Maywood, NJ 07607

Project Title: Life Skills Program

Amount Requested: \$365,898

Justification: Funds will be used to support the Life Skills program at the Adler Aphasia Center, which provides people with Aphasia and their families support, education and opportunities for socialization in a therapeutic environment.

Proposed Recipient: Adler Aphasia Center

Address: 60 West Hunter Ave, Maywood, NJ 07607

Project Title: Education & Training for Healthcare Workers

Amount Requested: \$104,635

Justification: Funding will be used to increase awareness and knowledge about Aphasia, and break down communication barriers by expanding existing education and training programs for healthcare professionals, people with Aphasia, their families and caregivers.

Proposed Recipient: American Gold Shield, Inc.

Address: 292 Prospect Plains Road, Cranbury, NJ 08512

Project Title: High School Drug and Violence Prevention Project

Amount Requested: \$250,000

Justification: Coordinating with DARE, this project seeks to work with at risk youth to mentor them and teach them valuable life skills in order to avoid drugs, peer pressure, and the temptation of joining gangs.

Proposed Recipient: American University of Beirut

Address: P.O.Box 11-0236, Riad El-Solh, Beirut 1107 2020, Lebanon

Project Title: American University of Beirut

Amount Requested: None Specified/Competitive Grant

Justification: Funding would be used for The American University of Beirut, which nurtures democracy and tolerance by educating successive generations of leaders who are committed to American values and who understand the tangible economic, political, and social benefits that a commitment to democracy produces.

Proposed Recipient: American University in Kosovo

Address: Nazim Gafurri 21, 10000 Pristina, Kosovo

Project Title: American University in Kosovo

Amount Requested: None Specified/Competitive Grant

Justification: Funding would be used to enhance the capacity and make sustainable the School of Public Service at the American University in Kosovo to enable it to better train citizens of Kosovo to build and manage their own public services and infrastructure. Public services and infrastructure improvement produces stable countries and allies for the U.S. in addition to stronger economies and trading partners for the U.S.

Proposed Recipient: Army Corps of Engineers

Address: 26 Federal Plaza, Room 2109, New York, NY 10007

Project Title: Barnegat Inlet to Little Egg Harbor Inlet (New Jersey)

Amount Requested: \$25,000,000

Justification: The project will fund hurricane and storm erosion protection with a beach-fill and dune along the oceanfront of Long Beach Island.

Proposed Recipient: Army Corps of Engineers

Address: 26 Federal Plaza, Room 2109, New York, NY 10007

Project Title: Hudson Raritan Estuary Lower Passaic River Study (New Jersey)

Amount Requested: \$233,000

Justification: Funds will be used to continue a study to develop a comprehensive watershed-based plan for the restoration of the Lower Passaic River Basin. The plan will Address the need for remedial actions and will also identify ecosystem restoration opportunities in the study area.

Proposed Recipient: Army Corps of Engineers

Address: 26 Federal Plaza, Room 2109, New York, NY 10007

Project Title: Hudson Raritan Estuary Hackensack Meadowlands Study (New Jersey)

Amount Requested: \$250,000

Justification: Funds will go towards the completion of an Army Corps of Engineers study to determine the feasibility of restoring wetlands and assessing toxic waste remediation potential.

Proposed Recipient: Army Corps of Engineers

Address: 26 Federal Plaza, Room 2109, New York, NY 10007

Project Title: Lower Saddle River Flood Control Study (New Jersey)

Amount Requested: \$400,000

Justification: Funds will provide for continuing the Limited Evaluation Report that updates the economics, hydrology and hydraulics, and design of possible channel modifications to prevent flooding along the Lower Saddle River in northern New Jersey.

Proposed Recipient: Army Corps of Engineers

Address: 26 Federal Plaza, Room 2109, New York, NY 10007

Project Title: Newark Bay, Hackensack and Passaic Rivers (New Jersey)

Amount Requested: \$80,000,000

Justification: Funds will go toward annual maintenance dredging, which includes the main channel and several secondary branch and pierhead channels. Maintenance dredging is critical to the commerce of this federal navigation channel.

Proposed Recipient: Battelle

Address: 427 Herrick Road, Dover, NJ 07801

Project Title: Demilitarization Technology Research and Development Initiative

Amount Requested: \$5,500,000

Justification: Funds will support ongoing efforts at Picatinny Arsenal to develop ways to demilitarize the world's most dangerous munitions. The initiative will include studies to assess the most effective, efficient and feasible technologies available worldwide for the demilitarization of advanced munitions.

Proposed Recipient: Bergen County

Address: One Bergen County Plaza, Hackensack, NJ 07601

Project Title: Bergen County Business Solutions

Amount Requested: \$400,000

Justification: Funding will create a business development solutions center that connects business to all county, public, industry and business services. The goal is to attract, support, and grow business (small businesses) in the county by using a streamlined, single point of contact regional approach to solving business challenges, with currently available business resources.

Proposed Recipient: Bergen County

Address: One Bergen County Plaza, Hackensack, NJ, 07601

Project Title: Bus Rapid Transit in Bergen County

Amount Requested: \$800,000

Justification: This project funds further study of specialized bus transit opportunities in Bergen County, NJ.

Proposed Recipient: Bergen County

Address: One Bergen County Plaza, Hackensack, NJ 07601

Project Title: County-Wide Public Safety Radio Communication System

Amount Requested: \$4,000,000

Justification: This funding will allow Bergen County to provide efficient wireless communication for all public safety and service agencies with seamless interoperability.

Proposed Recipient: Bergen County

Address: One Bergen County Plaza, Hackensack, NJ, 07601

Project Title: Route 17 Final Design

Amount Requested: \$2,000,000

Justification: The project would fund final design for critical improvements to the bottleneck section of Route 17, the key north/south artery through Bergen County.

Proposed Recipient: Bergen County Community College

Address: 400 Paramus Road, Paramus, NJ 07652-1595

Project Title: Center for Suburban Criminal Justice (CSCJ)

Amount Requested: \$250,000

Justification: This program will increase the number of skilled first responders, criminal justice, and homeland security professionals to meet growing workforce development needs in the region.

Proposed Recipient: Bergen Community College

Address: 400 Paramus Road, Paramus, NJ 07652

Project Title: Meadowlands Campus for Workforce Development

Amount Requested: \$500,000

Justification: Funding will purchase equipment and instrumentation to expand high demand industry classroom education and hands-on training benefiting job seekers and employers in retail, hospitality, entertainment industries.

Proposed Recipient: Bergen County Superior Court

Address: Bergen County Justice Center, 10 Main Street, Hackensack, New Jersey 07601

Project Title: Enhanced Landlord/Tenant and Small Claims (Special Civil) Court Services

Amount Requested: \$500,000

Justification: Funds will help renovate existing courthouse space, currently vacant to locate a special civil courtroom (Landlord/Tenant and Small Claims) on the first floor of the courthouse, better utilizing existing space to minimize security risks and maximize efficiency and customer service.

Proposed Recipient: Bergen County Utilities Authority (BCUA)

Address: 298 Mehrhof Road, Little Ferry, NJ 07643

Project Title: Infiltration/Inflow/Sanitary Sewer Overflow Elimination Project

Amount Requested: \$1,000,000

Justification: The BCUA owns and operates approximately 110 miles of interceptor sewer system lines from its Water Pollution Control Facilities located in Little Ferry, NJ and Edgewater, NJ. The proposed project will increase capacity for the sewer system, reduce rainwater infiltration and inflow and eliminate sanitary sewer overflows.

Proposed Recipient: Bergen Performing Arts Center (BergenPAC)

Address: 30 N. Van Brunt Street, Englewood, NJ 07631

Project Title: Developing a Broadcast Hub

Amount Requested: \$1,000,000

Justification: Funding will be used to upgrade and expand BergenPAC's recording and live performance broadcast capabilities allowing it to become one of the first performing arts centers to distribute both educational and commercial broadcasts to a national audience, creating a new economic engine for the community.

Proposed Recipient: Bergen Performing Arts Center (BergenPAC)

Address: 30 North Van Brunt Street, Englewood, NJ 07631

Project Title: Energy Effectiveness in Historic Buildings

Amount Requested: \$500,000

Justification: Funds will be used to purchase modern-day technologies like energy efficient stage-lighting and air conditioning that will reduce energy consumption by two-thirds of its current rate, creating an environment that is safer and cleaner for the community BergenPAC serves and reducing the Center's carbon footprint.

Proposed Recipient: Big Brothers Big Sisters of Essex, Hudson & Union Counties

Address: 494 Broad Street, Suite 103, Newark, NJ 07102

Project Title: The Comprehensive Youth Mentoring Program

Amount Requested: \$1,661,000

Justification: Funding would support and significantly expand an evidence-based, data-driven, results oriented one-to-one mentoring program for at-risk children in the community.

Proposed Recipient: Bogota, NJ

Address: 375 Larch Avenue, Bogota, NJ 07603

Project Title: Bogota Police Department Equipment Upgrade

Amount Requested: \$110,000

Justification: Funding would provide for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies. Funding would also be used to upgrade equipment on several emergency response vehicles.

Proposed Recipient: Bogota, NJ

Address: 375 Larch Avenue, Bogota, NJ 07603

Project Title: River Road and Elm Avenue Drainage Improvement

Amount Requested: \$700,000

Justification: Funding would continue the second phase of a flood control project. Phase II will Address the second, downstream section where flow is restricted by an obsolete drainage structure.

Proposed Recipient: Bogota Public Schools

Address: Henry C. Luthin Place Bogota, NJ 07603

Project Title: Tomorrow's Discoveries Today

Amount Requested: \$250,000

Justification: Funding will be used to transform a former woodshop currently being used as an art classroom into a state of the art science laboratory for high school students.

Proposed Recipient: The Bridge Fund

Address: 2018 R St, NW, 3rd Floor, Washington, DC 20009

Project Title: Economic Development in Tibet

Amount Requested: None Specified/Competitive Grant

Justification: Funding would be used to address locally identified needs of Tibetans within the education, community development, environmental conservation, business development, healthcare, and cultural heritage preservation sectors.

Proposed Recipient: Children's Aid and Family Services, Inc

Address: 200 Robin Road, Paramus, NJ 07652

Project Title: New pediatric health center for children in foster care

Amount Requested: \$200,000

Justification: Funds would be used to open a Children's Health Center, which will provide outpatient primary care pediatric services to special needs infants, children and teenagers in foster care in Bergen County.

Proposed Recipient: Christian Health Care Center

Address: 301 Sicomac Avenue, Wyckoff, NJ 07481

Project Title: Electronic Medical Records (EMR) for Medication Reconciliation

Amount Requested: \$400,000

Justification: Funds will be used to assure the safety and delivery of the highest quality medical care to psychiatric and long term care patients at The Christian Health Care Center by creating an electronic medical records system to optimize medication documentation, selection and dosage.

Proposed Recipient: Christian Health Care Center

Address: 301 Sicomac Avenue, Wyckoff, NJ 07481

Project Title: Rehab Center of Tomorrow

Amount Requested: \$1,700,000

Justification: It is imperative that we provide our soldiers with the most technologically and medically advanced rehabilitation options available. This project is designed to assure the highest quality of care for our military personnel through application and analysis of the best rehabilitation techniques available to speed recovery, decrease pain, and return maximum achievable mobility and strength to injured limbs and neural systems.

Proposed Recipient: Clara Maass Medical Center

Address: One Clara Maass Drive, Belleville, NJ 07109

Project Title: Critical Hospital Barcode Medication Administration System and Wireless Technology

Amount Requested: \$650,000

Justification: Funds will be used to implement a barcode medication administration system and wireless technology at Clara Maass Medical Center that will significantly reduce the potential for medication errors, enhance patient safety and reduce health care costs.

Proposed Recipient: Cliffside Park, NJ

Address: 525 Palisade Avenue, Cliffside Park, NJ 07010

Project Title: Anderson Avenue Streetscape

Amount Requested: \$113,640

Justification: This project would fund new sidewalks, curbing, brick pavers, rustic acorn lighting and street amenities on Anderson Avenue in Cliffside Park's business district.

Proposed Recipient: Cliffside Park, NJ

Address: 525 Palisade Avenue, Cliffside Park, NJ 07010

Project Title: Catch Basin Upgrades Project

Amount Requested: \$90,750

Justification: Funding would be used to upgrade, replace, and as needed rebuild, Cliffside Park's catch basins. The project seeks funding for 220 new catch basin units; 110 units are in need of structural improvements.

Proposed Recipient: Cliffside Park, NJ

Address: 525 Palisade Avenue Cliffside Park, NJ 07010

Project Title: Greenmount Avenue, Roadway Rehabilitation

Amount Requested: \$335,064

Justification: The project would fund roadway milling and resurfacing of Greenmount Avenue in Cliffside Park, NJ.

Proposed Recipient: Cliffside Park, NJ

Address: 525 Palisade Avenue, Cliffside Park, NJ 07010

Project Title: Lawton Avenue Sanitary and Storm Sewer Improvements

Amount Requested: \$662,500

Justification: This project would fund replacement of old and obsolete sanitary sewer and drainage pipes while increasing capacity and preparing for proposed mixed-use redevelopment projects.

Proposed Recipient: Cliffside Park, NJ

Address: 525 Palisade Avenue, Cliffside Park, NJ 07010

Project Title: Public Safety Communications Enhancements

Amount Requested: \$370,000

Justification: Funds will be used for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Cliffside Park School District

Address: 525 Palisade Avenue, Cliffside Park, NJ 07010-2914

Project Title: Club ED Afterschool Program

Amount Requested: \$175,000

Justification: Funding will be used to offer a daily after school homework and enrichment club.

Proposed Recipient: College of Saint Elizabeth

Address: 2 Convent Rd Morristown, NJ 07960

Project Title: Proposal to Build Institutional Capacity in Teaching and Learning, Emergency Readiness, Response, and Recovery

Amount Requested: \$1,000,000

Justification: Funds will be used to continue the expansion and enhancement of the College's technology infrastructure.

Proposed Recipient: Cooper Union for the Advancement of Science and Art

Address: 30 Cooper Square, New York, NY, 10003

Project Title: Shipboard V-band (60 GHz) Wireless Network

Amount Requested: \$4,000,000

Justification: Funds will go toward the development and manufacture of a fully functional, third generation, military grade WiFi Network for the US Navy. This network will have enhanced capabilities for the Navy's next generation local area network (LAN) system for topside ship applications.

Proposed Recipient: Court Appointed Special Advocates (CASA) of New Jersey, Inc

Address: 945 West State Street, Trenton, NJ 08618

Project Title: Recover, Sustain and Expand CASA Services for New Jersey's Abused and Neglected Foster Children

Amount Requested: \$500,658

Justification: Funds would restore critical service provided by CASA for abused and neglected foster children in New Jersey. CASA advocates for the best interests of this vulnerable population in court and in the community, with the goal of securing a safe and permanent family for each child as quickly as possible.

Proposed Recipient: D.A.R.E. New Jersey, Inc.

Address: 292 Prospect Plains Road, Cranbury, NJ 08512

Project Title: D.A.R.E. To Talk a media/hotline resource for parents across New Jersey

Amount Requested: \$400,000

Justification: Funding will be used for the creation of a media/hotline resource for parents across New Jersey. The program will target parents of high school students in order to give them the tools they need so that they are comfortable and knowledgeable to proactively support their children to resist drugs and violence.

Proposed Recipient: Dysautonomia Foundation, Inc.

Address: 315 W 39th St, Suite 701, New York, NY 10018

Project Title: FD Treatment

Amount Requested: \$200,000

Justification: Funds will be used to support the operation of the Dysautonomia Foundation's Treatment Center, the only center in the U.S. dedicated to improving the health, extending the life expectancy and improving the quality of life of people afflicted with familial dysautonomia and related autonomic disorders.

Proposed Recipient: Edgewater, NJ

Address: 916 River Road, Edgewater, NJ 07020

Project Title: Community Bus Program

Amount Requested: \$265,000

Justification: This project would fund two additional buses and corresponding operational costs for Edgewater's Jitney bus program.

Proposed Recipient: Elmwood Park, NJ

Address: 182 Market Street, Elmwood Park, NJ 07407

Project Title: Creating a Passaic River Greenway in Elmwood Park, NJ

Amount Requested: \$175,000

Justification: The Borough of Elmwood Park owns most of the land along the Passaic River on the town's western boundary. This project would undertake a comprehensive analysis of the condition of the river shore buffer zones, identify problems related to erosion, invasive species, water quality, and other intrusions.

Proposed Recipient: Elmwood Park

Address: 182 Market Street, Elmwood Park, NJ 07407

Project Title: Road Resurfacing Program

Amount Requested: \$515,000

Justification: The project would fund resurfacing of six Elmwood Park Borough streets and a parking lot.

Proposed Recipient: Englewood, NJ

Address: 2-10 N. Van Brunt Street, Englewood, NJ 07631

Project Title: Central Business District Economic Development Project

Amount Requested: \$425,000

Justification: The City of Englewood has greatly improved the general appearance of the downtown area. The project would fund improved streetscapes and directional signage throughout that Central Business District.

Proposed Recipient: Englewood, NJ

Address: 2-10 N. Van Brunt Street, Englewood, NJ 07631

Project Title: Mackay Park Channel Floodwall Construction

Amount Requested: \$1,500,000

Summary: This project will fund reconstruction of the channel walls along Overpeck Creek in Mackay Park. The collapse of the existing walls will cause flooding upstream as well as destroy much of Mackay Park.

Proposed Recipient: Englewood Cliffs Public Schools

Address: 482 Hudson Terrace, Englewood Cliffs NJ 07632

Project Title: Englewood Cliffs Public Schools Solar Array

Amount Requested: \$900,000

Justification: Funding would be used to purchase a solar array for Englewood Cliffs Public Schools, reducing energy costs.

Proposed Recipient: Englewood Hospital and Medical Center

Address: 350 Engle Street, Englewood, NJ 07631

Project Title: Breast Cancer Digital Molecular Imaging System

Amount Requested: \$1,250,000

Justification: Funds will be used to purchase and install a digital molecular breast imaging system to improve the diagnosis of cancers in women with dense breast tissue, which can impede diagnosis of abnormalities through mammography.

Proposed Recipient: Englewood Hospital and Medical Center

Address: 350 Engle Street, Englewood, NJ 07631

Project Title: Energy Efficiency Upgrades

Amount Requested: \$1,500,000

Justification: Funding would be used to provide for energy efficiency upgrades to a section of the hospital that houses the Breast Cancer Center and other surgical, diagnostic and rehabilitation rooms.

Proposed Recipient: Englewood Hospital and Medical Center

Address: 350 Engle Street, Englewood, NJ 07631

Project Title: Green Roof for Breast Cancer Center

Amount Requested: \$1,100,000

Justification: Funding would be used to purchase specific green roofing materials and energy efficiency upgrades needed to complete a 30,000 square foot, single floor expansion of the EHMC Breast Cancer Center.

Proposed Recipient: Englewood Hospital and Medical Center

Address: 350 Engle Street, Englewood, NJ 07631

Project Title: Institute for the Advancement of Bloodless Medicine

Amount Requested: \$1,866,000

Justification: Funds will be used to teach military doctors and nurses blood management techniques to support their clinical practice during wartime efforts. The implementation of blood management programs will save lives and money for the Department of Defense.

Proposed Recipient: Essex County

Address: 465 Dr. Martin Luther King, Jr. Boulevard, Newark, NJ 07102

Project Title: Countywide GIS and Stormwater Management System

Amount Requested: \$2,750,000

Justification: This project will implement countywide mapping of storm water facilities in all of the County of Essex's twenty-two municipalities.

Proposed Recipient: Essex County

Address: 465 Dr. Martin Luther King, Jr. Boulevard, Newark, NJ 07102

Project Title: Health Training - Promoting Psychiatric Wellness and Rehabilitation Services to Prevent Re-Hospitalization of Schizophrenic Patients

Amount Requested: \$150,000

Justification: Funds will be used to establish a training program to teach, manage, and mentor direct care staff serving people with severe psychiatric disabilities, particularly schizophrenia.

Proposed Recipient: Essex County

Address: 465 Martin Luther King Jr Boulevard, Newark, NJ 07102

Project Title: Rehabilitation of the Branch Brook Park Watercourse

Amount Requested: \$6,090,920

Justification: This project will rehabilitate the Watercourse in Branch Brook Park (a historic Olmsted park of national significance) with major lake and brook restoration.

Proposed Recipient: Essex County

Address: 465 Dr. Martin Luther King, Jr. Boulevard, Newark, NJ 07102

Project Title: Rehabilitation of the Kingsland Avenue Bridge

Amount Requested: \$4,000,000

Justification: The Kingsland Avenue Bridge is a movable bridge that carries vehicular and pedestrian traffic in both directions over the Passaic River, and is the main crossing between Bergen and Essex Counties.

Proposed Recipient: Essex County

Address: 65 Dr. Martin Luther King, Jr. Boulevard, Newark, NJ 07102

Project Title: Reproductive Healthcare for Women with Severe Mental Illness

Amount Requested: \$600,000

Justification: Funds will be used to establish a community health monitoring and intervention program for women with severe and persistent mental illness. This project will provide reproductive healthcare for this vulnerable group.

Proposed Recipient: Fair Lawn, NJ

Address: 8-01 Fair Lawn Avenue, Fair Lawn, NJ 07410

Project Title: Community Shuttle Bus Program

Amount Requested: \$315,000

Justification: Funds will replace a 15 year-old bus with an electric hybrid 22 passenger handicap-accessible bus.

Proposed Recipient: Fair Lawn, NJ

Address: 8-01 Fair Lawn Avenue, Fair Lawn, NJ, 07410

Project Title: Emergency Service Communications Upgrades

Amount Requested: \$990,000

Justification: Funds will be used to purchase and install emergency service communications equipment to facilitate interoperable communication with surrounding local, county, state and federal emergency service agencies.

Proposed Recipient: Fairleigh Dickinson University (FDU)

Address: 1000 River Road H-DH1-03, Teaneck, NJ 07666

Project Title: Latino Education Pipeline

Amount Requested: \$800,000

Justification: Funds will be used to help Latino college students gain access to a higher education program at FDU that helps adult students move from a Spanish language to an English language curriculum, leading to an associate in arts degree in three years.

Proposed Recipient: Fairleigh Dickinson University

Address: 1000 River Road, Teaneck, NJ 07666

Project Title: National Guard Global Education Program

Amount Requested: \$1,000,000

Justification: Funds will provide online educational services to Army National Guard and other military personnel, allowing them to take courses while being deployed anywhere in the world. This program is a critical retention, recruitment, and promotion tool which reduces the interruption to the lives of deployed troops.

Proposed Recipient: Fairview, NJ

Address: 59 Anderson Avenue, Fairview, NJ 07022

Project Title: Public Safety Equipment

Amount Requested: \$75,000

Justification: Upgrades for police equipment including vehicle mounted license plate readers and thermal imaging cameras to be mounted on police vehicles. This would greatly increase the efficiency of patrols and safety of night

patrols.

Proposed Recipient: Fairview, NJ

Address: 53 Grant Street, Fairview, NJ 07022

Project Title: Bellman's Creek Bridge

Amount Requested: \$1,125,000

Justification: The Borough of Fairview experiences tidal flooding from Bellman's Creek via the Hackensack River at lower Fairview Avenue along the Fairview/North Bergen boundary. This project would fund the cost of a new bridge that would be above the flood elevation of the most frequent storms and tidal effects.

Proposed Recipient: Felician College

Address: 262 S. Main St. Lodi, NJ 07644

Project Title: "Bachelor's to BSN" Program

Amount Requested: \$810,000

Justification: Funds will be used to Address the national nursing workforce shortage, which is especially acute in New Jersey, by increasing enrollment in the new 18 month Bachelor's-to-BSN program at Felician College.

Proposed Recipient: Fort Dix

Address: 5417 Alabama Avenue, Fort Dix, NJ 08640

Project Title: Automated Multipurpose Machine Gun (MPMG) Range

Amount Requested: \$8,919,000

Justification: Funds will provide for the construction of a new machine gun range to train and test soldiers on the skills necessary to detect, identify, engage and defeat stationary and moving infantry targets in a tactical array.

Proposed Recipient: Fort Lee, NJ

Address: 309 Main Street, Fort Lee, New Jersey 07024

Project Title: CSO Abatement Upgrade

Amount Requested: \$400,000

Justification: Funds for the project will be used to replace and rehabilitate manholes.

Proposed Recipient: Fort Lee, NJ

Address: 309 Main Street, Fort Lee, New Jersey 07024

Project Title: Improvements to Inwood Terrace Park

Amount Requested: \$200,000

Justification: Funds for the project will be used to rehabilitate Inwood Terrace Park by installing bathrooms and updated

play equipment.

Proposed Recipient: Fort Lee, NJ

Address: 309 Main Street, Fort Lee, NJ 07024

Project Title: Installation of Emergency Power Generator at the Fort Lee Voluntary Ambulance Corps Headquarters

Amount Requested: \$120,000

Justification: Funding to provide the Fort Lee Volunteer Ambulance Corps with an emergency power generator, a vital component for operational continuity.

Proposed Recipient: Friends of the Congressional Glaucoma Caucus Foundation

Address: 983 Marcus Avenue, Suite 111, Lake Success, NY 11042

Project Title: New Jersey 9th District Eye Care Initiative

Amount Requested: \$150,000

Justification: Funds will be used to provide free glaucoma and vision screenings, follow-up and treatment services in the 9th district of New Jersey for high risk populations with an emphasis on African Americans, Hispanics, senior citizens, people with diabetes and/or high blood pressure and family history risk factors.

Proposed Recipient: Garden State Cancer Center

Address: 520 Belleville Avenue, Belleville, NJ 07109

Project Title: Vaccine Development Program

Amount Requested: \$4,330,000

Justification: Garden State Cancer Center's Vaccine Development Program researches countermeasures to protect our troops from bioterrorism agents.

Proposed Recipient: Garfield, NJ

Address: 111 Outwater Lane, Garfield, New Jersey 07026

Project Title: Midland Avenue Sanitary Sewer Improvements

Amount Requested: \$1,100,000

Justification: This project would fund replacement of existing sanitary sewer lines on Midland Avenue to minimize inflow and infiltration into the sewer system due to the age and deterioration of the existing lines.

Proposed Recipient: Garfield, NJ

Address: 111 Outwater Lane, Garfield, New Jersey 07026

Project Title: River Drive Improvements

Amount Requested: \$2,000,000

Justification: This project would fund the realigning and straightening of River Drive in Garfield, NJ.

Proposed Recipient: Garfield, NJ

Address: 111 Outwater Lane, Garfield, NJ 07026

Project Title: Upgrades to Garfield Police Department Communication and Security Systems

Amount Requested: \$1,200,000

Justification: Request is for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Garfield, NJ

Address: 111 Outwater Lane, Garfield, New Jersey 07026

Project Title: Waterworks Wellfield Improvements

Amount Requested: \$2,420,000

Justification: This project would fund improvements to the Garfield Wellfield in the Borough of Elmwood Park, NJ, including replacement of existing water lines, burial of overhead electric lines and replacement of existing pumps and controls in well houses.

Proposed Recipient: Garfield Public Schools

Address: 125 Outwater Lane, Garfield, NJ 07026

Project Title: Garfield Alternative Education High School (GAEHS)

Amount Requested: \$500,000

Justification: Funds will go toward providing instruction for 60 students who are at high risk for failure in the regular education setting for various reasons. Funds will be used for salary, benefits, instructional and administrative supplies, equipment, transportation, and rent for the school.

Proposed Recipient: Garfield Public Schools

Address: 125 Outwater Lane, Garfield, NJ 07026

Project Title: Technology For Success

Amount Requested: \$985,000

Justification: Funds will provide updated technology for Garfield Middle School which was identified by the State of New Jersey as having inadequate technology and being a school in need of improvement.

Proposed Recipient: Generations, Inc.

Address: 1115 Gibbsboro Road, Lindenwold, NJ 08026

Project Title: Progress Around The Schools (PATS)

Amount Requested: \$753,300

Justification: The Progress Around the Schools Program (PATS) will provide an array of services to assist families and communities throughout New Jersey to combat youth violence and barriers to academic success.

Proposed Recipient: Georgian Court University

Address: 900 Lakewood Ave., Lakewood, NJ 08701

Project Title: Institute for Autism Studies

Amount Requested: \$410,000

Justification: Funds will be used by GCU's Institute for Autism Studies to provide intensive professional support and training to help teachers, parents, school district personnel, parent advocacy groups, community agencies, and health care professionals meet the educational needs of students with autism.

Proposed Recipient: Georgian Court University

Address: 900 Lakewood Ave Lakewood, NJ 08701

Project Title: The Center for Technology in Learning

Amount Requested: \$423,000

Justification: Funding will be used for capital costs associated with creating a high-tech hands-on learning space at GCU, which will provide learning and training space for future nurses, current and future K-12 teachers, homeland security personnel, current and future business leaders, and allow GCU to provide global education experiences to the entire community.

Proposed Recipient: Georgian Court University

Address: 900 Lakewood Ave Lakewood, NJ 08701

Project Title: STEM for Women

Amount Requested: \$577,700

Justification: The funding will be used for equipment and supplies to provide students with hands-on learning experiences while expanding GCU's research capabilities. These specific program enhancements will result in better qualified nurses, K-12 teachers, graduate students, clinical, scientific and technical workers for New Jersey's healthcare, pharmaceutical, and high-tech industries.

Proposed Recipient: Gloucester County

Address: PO Box 337 Woodbury, NJ 08096

Project Title: Adult Immunizations for Uninsured and Underinsured Gloucester County Residents

Amount Requested: \$50,000

Justification: Funding will be used to reduce disease transmission by providing vaccines to uninsured or under-insured adult populations in Gloucester County.

Proposed Recipient: Gloucester County

Address: PO Box 337, Woodbury, NJ 08096

Project Title: Emergency Operations Center

Amount Requested: \$1,000,000

Justification: For the purchase of new communications equipment for the Gloucester County Emergency Operations Center.

Proposed Recipient: Girl Scouts of the USA

Address: 420 Fifth Avenue, New York, NY 10018-2798

Project Title: VIVA Tri-State: A Latina Outreach Initiative

Amount Requested: \$1,000,000

Justification: Studies have found that one in six Latina/Hispanic teenagers has attempted suicide, one in four becomes a mother before the age of 20, and about one-quarter do not complete high school. Funds will be used to support a Girl Scout program that aims to help prepare Latina youth for these challenges, and provide them the confidence, life skills, and experience needed to combat risky behaviors and grow into healthy young adults.

Proposed Recipient: Hackensack, NJ

Address: 65 Central Avenue, Hackensack, NJ 07601

Project Title: Anderson Street Combined Sewer System Assessment

Amount Requested: \$240,000

Justification: Funds will be used to conduct a Combined Sewer System Assessment for the large diameter sewers in the Anderson Street and Court Street areas in Hackensack.

Proposed Recipient: Hackensack, NJ

Address: 65 Central Avenue, Hackensack, NJ 07601

Project Title: Atlantic Avenue Streetscape Project

Amount Requested: \$450,000

Justification: This project would fund a streetscape-open space project that will serve as the beautification catalyst for a Cultural Arts and Senior Center.

Proposed Recipient: Hackensack, NJ

Address: 65 Central Avenue, Hackensack, NJ 07601

Project Title: Equipment Upgrades for Police Department Vehicles

Amount Requested: \$100,000

Justification: Funds will provide for the acquisition and installation of roof-mounted LED emergency light bars on marked police vehicles in the patrol fleet. The higher output of the LED lights will enhance visibility, which will improve the safety of the officers and the general public. Funding will also provide for the acquisition of automated license plate reader camera systems. This would greatly increase the efficiency of police patrols.

Proposed Recipient: Hackensack, NJ

Address: 65 Central Avenue, Hackensack, NJ 07601

Project Title: Police Mobile Computers

Amount Requested: \$155,000

Justification: Funds will be used by the Hackensack Police Department to purchase mobile computers for their patrol fleet. This will allow police officers to more efficiently communicate with their station and complete administrative work thus allowing for a more continuous and visible police presence.

Proposed Recipient: Hackensack Public Schools

Address: 191 Second Street Hackensack, NJ 07601

Project Title: Implementing the New Jersey Core Curriculum Content Standards: Preparing Our Students to Connect, Collaborate, and Compete in the 21st Century Global Society

Amount Requested: \$295,000

Justification: Funds will be used to equip Hackensack fifth and sixth graders with equipment for a computer lab and SMART board technology.

Proposed Recipient: Hackensack University Medical Center Foundation

Address: 360 Essex Street, Suite 301, Hackensack, NJ 07601

Project Title: Advancement of Specialized Cardiac Services

Amount Requested: \$1,000,000

Justification: Funds will be used to purchase a Magnetic resonance imaging (MRI) machine that will greatly improve cardiac care, and result in better patient outcomes at Hackensack University Medical Center.

Proposed Recipient: Hackensack University Medical Center Foundation

Address: 360 Essex Street, Suite 301, Hackensack, NJ 07061

Project Title: Bioterrorism and Battlefield Medical Solutions

Amount Requested: \$5,000,000

Justification: Funds will enable HUMC researchers, under the Department of Defense's direction, to develop medical solutions for soldiers, first responders, and U.S. civilians exposed to pathogens including pandemic influenza and other highly infectious agents.

Proposed Recipient: Hadassah

Address: 50 West 58th Street, New York, NY 10019

Project Title: Hadassah University Medical Center

Amount Requested: None Specified/Competitive Grant

Justification: Funding would enable Hadassah to purchase American medical equipment such as hospital beds, operating room equipment and simulation equipment to further healing, teaching and research in Israel and throughout the world. Institutions which provide health care services and study endemic diseases also advance American humanitarian goals and win friends for the United States by Addressing pressing public health problems among the people they serve.

Proposed Recipient: Harlem Children Society

Address: 536 E. 82nd St. Suite 5F New York, NY 10028

Project Title: Extension of STEM Services to NJ District 9

Amount Requested: \$371,490

Justification: Funds will be used for an education program that will provide low-income public high school and undergraduate students residing in the 9th Congressional District with summer and afterschool employment for students, science street fairs and festivals, office expenses, and for mentors, and community gatherings.

Proposed Recipient: Hasbrouck Heights, NJ

Address: 379 Boulevard Hasbrouck Heights, NJ 07604

Project Title: Elementary School Guidance Counselor Hasbrouck Heights Board Of Education

Amount Requested: \$50,000

Justification: Funds would provide for the addition of a full time guidance counselor that will be shared between the two elementary schools in Hasbrouck Heights, NJ.

Proposed Recipient: Hasbrouck Heights, NJ

Address: 320 Boulevard, Hasbrouck Heights, NJ 07604

Project Title: Townwide Curb Replacement Program

Amount Requested: \$900,000

Justification: This project would fund replacement of deteriorated curbs to provide proper channeling of storm water runoff to the storm drainage system and provide safer barriers to deflect errant vehicles.

Proposed Recipient: Hasbrouck Heights, NJ

Address: 320 Boulevard, Hasbrouck Heights, NJ 07604

Project Title: Townwide Sanitary and Stormwater System Rehabilitation

Amount Requested: \$1,500,000

Justification: This project would fund an upgrade of the sanitary and stormwater sewer system townwide, including structural realigning of sanitary sewers and upgrading of the storm draining system.

Proposed Recipient: Hawthorne, NJ

Address: 445 Lafayette Avenue, Hawthorne, NJ 07506

Project Title: Energy-Efficient Field Lighting

Amount Requested: \$600,000

Justification: Funding would be used to install energy-efficient lights on the high-school football field, and five other fields used for recreational and school athletics as part of a wider plan to use a limited number of existing fields to meet a growing demand for recreational facilities.

Proposed Recipient: Hawthorne, NJ

Address: 445 Lafayette Avenue, Hawthorne, NJ 07506

Project Title: Lafayette Avenue and Diamond Bridge Avenue Streetscape

Amount Requested: \$825,000

Justification: The Project would make streetscape improvements in downtown Hawthorne on Lafayette Avenue from Cedar Avenue to Jefferson Street, and on Diamond Bridge Avenue from Grand Avenue to Arlington Avenue.

Proposed Recipient: Hawthorne, NJ

Address: 445 Lafayette Avenue, Hawthorne, NJ 07506

Project Title: Water and Sewer System Improvements

Amount Requested: \$495,000

Summary: This project will fund improvements to Hawthorne's water and sewer system equipment, including pumps, check valves, blowers, sewage grinders, and filters.

Proposed Recipient: Hudson County (Kearny)

Address: 583 Newark Avenue, Jersey City, NJ 07306

Project Title: Koppers Coke Redevelopment

Amount Requested: \$500,000

Justification: Project would fund the redevelopment of the Koppers Coke brownfield site for use as an Industrial Park.

Proposed Recipient: Holy Name Medical Center

Address: 718 Teaneck Road, Teaneck NJ, 07666

Project Title: Interventional Institute-Angiography Suite

Amount Requested: \$1,500,000

Justification: Funds will be used to replace a now 19-year old angiography suite within the Interventional Institute at Holy Name Medical Center.

Proposed Recipient: Hudson County Child Abuse Prevention Center

Address: 86 Newark Avenue 2nd Floor, Jersey City, NJ 07306

Project Title: Comprehensive Community Child Abuse Prevention

Amount Requested: \$300,000

Justification: Funds will be used for a comprehensive, county-wide program to keep children safe from abuse, and provide multi-disciplinary services to victims of severe abuse.

Proposed Recipient: Jersey City, NJ

Address: 280 Grove Street, Jersey City, NJ 07302

Project Title: Bayfront Structural Bulkhead Stabilization

Amount Requested: \$1,000,000

Justification: This project would fund structural fill and grading of 100 acres of brownfields to provide for area redevelopment.

Proposed Recipient: Jersey City, NJ

Address: 280 Grove Street, Jersey City, NJ 07302

Project Title: Berry Lane Park

Amount Requested: \$1,000,000

Justification: This project would fund cleanup of former junkyards, autobody shops, rail yards, and other contaminated industrial space that will be transformed into new ballfields, a recreation center, basketball and tennis courts, jogging paths, and green spaces.

Proposed Recipient: Jersey City, NJ

Address: 280 Grove Street, Jersey City, NJ 07302

Project Title: Comprehensive Communications System

Amount Requested: \$455,000

Justification: Request is for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Jersey City, NJ

Address: 280 Grove Street, Jersey City, NJ 07302

Project Title: Jersey City Housing Authority Security Upgrades

Amount Requested: \$600,000

Justification: Funding would be used for the purchase and installation of security cameras and a monitoring system in order to provide a safe and secure environment for several Housing Authority communities.

Proposed Recipient: Jewish Family Service of Bergen County

Address: 1485 Teaneck Road, Teaneck, NJ 07666

Project Title: The TeleCare Connection

Amount Requested: \$300,000

Justification: Funds will be used for a demonstration project that will enable elders to safely live and thrive at home, by providing them with virtual home visits through access to the internet, in addition to the quarterly in-home visits they currently receive through the Jewish Family Service of Bergen County.

Proposed Recipient: Jewish Family Service of Bergen County

Address: 1485 Teaneck Road, Teaneck, NJ 07666

Project Title: S.T.O.R.Y. - Stories Told Offer Redirection for Youth

Amount Requested: \$109,234

Justification: Funds will support an after-school initiative for youth in Bergen and North Hudson Counties, to facilitate the recording and sharing of their life stories, and those of their families and neighbors. This program is intended to prevent delinquency and substance abuse, while increasing knowledge of cultural values, social history, and improving communication skills.

Proposed Recipient: Jewish Family Service of North Jersey

Address: 1 Pike Drive, Wayne, NJ 07470

Project Title: Care Management Services for Older Adults

Amount Requested: \$135,375

Justification: Funding will support the expansion of Care Management services to 300 isolated, at-risk, frail older adults. These services will enable individuals to remain safely in their own homes thereby avoiding institutionalization.

Proposed Recipient: Jewish Family Service of North Jersey

Address: 1 Pike Drive, Wayne, NJ 07470

Project Title: Case Management and Supportive Services for the Psychiatrically Disabled

Amount Requested: \$169,125

Justification: Funding will support the expansion of Care Management and supportive services to psychiatrically disabled adults, who are not linked with any agency or service. The goal is to help clients develop care plans, which result in stabilizing their present situations, and, ultimately, encourages independence and self-sufficiency.

Proposed Recipient: Kearny, NJ

Address: 39 Central Avenue, Kearny, NJ 07032

Project Title: Energy Efficiency and Conservation HVAC Project

Amount Requested: \$800,000

Justification: This project would fund the purchase of energy efficient items such as recycled ceiling tiles and green products in piping, ducts and ventilation equipment, in order to reduce energy costs.

Proposed Recipient: Kearny, NJ

Address: 402 Kearny Avenue, Kearny, NJ 07032

Project Title: Kearny Avenue Resurfacing

Amount Requested: \$505,700

Justification: This project would fund the resurfacing of Kearny Avenue in Kearny, NJ.

Proposed Recipient: Kearny, NJ

Address: 402 Kearny Avenue, Kearny, NJ 07032

Project Title: Pennsylvania Avenue Reconstruction

Amount Requested: \$985,408

Justification: This project would fund the reconstruction of Pennsylvania Avenue in Kearny, NJ.

Proposed Recipient: Kearny, NJ

Address: 402 Kearny Avenue, Kearny, NJ 07032

Project Title: Rehabilitation of Route 7 Gatehouse

Amount Requested: \$500,000

Justification: This project would fund design, construction and construction management for the rehabilitation of the Route 7 Gatehouse associated with Kearny, NJ's water distribution system.

Proposed Recipient: Kearny, NJ

Address: 402 Kearny Avenue, Kearny, NJ 07032

Project Title: Surveillance Cameras

Amount Requested: \$400,000

Justification: Funding will allow for the design, installation, and configuration of security camera surveillance systems at major entrance and exit ways of the Town of Kearny. This would allow for more efficient monitoring of these routes.

Proposed Recipient: Kearny Public Schools

Address: 100 Davis Avenue, Kearny, NJ 07032-3398

Project Title: Kearny Public Schools Ticket to Success Afterschool Program

Amount Requested: \$405,299

Justification: Funds will be used to serve students in an afterschool program to help improve the academic performance of participating students by allowing them to focus attention on academic areas where they have difficulties.

Proposed Recipient: Kearny Public Schools

Address: 100 Davis Avenue, Kearny, NJ 07032-3398

Project Title: Kearny Public Schools “eSchool” Learning Enrichment & Aptitude Prospectus

Amount Requested: \$1,200,000

Justification: Funding for LEAP will provide hardware, laptops, and software to implement a well designed, technologically advanced eLearning program so that students are able to access classroom-related materials and information while outside of school.

Proposed Recipient: Lakehurst NAES/ Joint Base

Address: Highway 547 Lakehurst, NJ 08733

Project Title: Aircraft Carrier Integrated Test (ACAIT) Center

Amount Requested: \$12,650,000

Justification: Funds will be used to construct a consolidated facility that will support all aspects of aircraft launch and recovery shipboard integration testing and fleet in-service support testing conducted at NAVAIR Lakehurst. This facility will significantly improve the ability of NAVAIR Lakehurst to perform future aircraft launch and recovery testing and shipboard integration of vital shipboard systems for the Navy.

Proposed Recipient: Lakehurst NAES/ Joint Base

Address: Highway 547 Lakehurst, NJ 08733

Project Title: Communications-Electronics Research, Development and Engineering Center (CERDEC) Flight Activity Facility

Amount Requested: \$35,000,000

Justification: Funds will help to upgrade the main air hangar with renovations to the fixed wing and unmanned aerial vehicle (UAV) aircraft hangar; aircraft pavements; shops; storage; administrative space and a secure facility to conduct research, development, testing, and evaluation of missions.

Proposed Recipient: Lakehurst NAES/ Joint Base

Address: Highway 547 Lakehurst, NJ 08733

Project Title: Commercial Gate

Amount Requested: \$7,100,000

Justification: Funds will be used to upgrade the commercial gate at the entry to Lakehurst. A fully functional entry control facility will be built to protect national security assets at Joint Base - Lakehurst from possible terrorist threats.

Proposed Recipient: Leitner Center for International Law and Justice, Fordham Law School

Address: 33 West 60th Street, New York, NY 10023

Project Title: Leitner Center for International Law and Justice at Fordham Law School

Amount Requested: None Specified/Competitive Grant

Justification: Funding would be used to train judges and law enforcement officers in Sub-Saharan Africa in the application of international human rights standards and law enforcement. The promotion of the rule of law produces stable countries and allies for the U.S. in addition to stronger economies and trading partners for the U.S.

Proposed Recipient: Leonia/Palisades Park, NJ

Address: 312 Broad Avenue, Leonia, NJ 07605

Project Title: Capital Road Program

Amount Requested: \$305,285

Justification: Funds would be used to renovate Oakdene Avenue, which serves as a border between Leonia and Palisades Park.

Proposed Recipient: Leonia Public Schools

Address: 570 Grand Avenue, Leonia, NJ 07605

Project Title: Cops Organizing Athletics Conversations and Homework (C.O.A.C.H.)

Amount Requested: \$234,000

Justification: Funds will be used to hire two program coordinators for afterschool programs in Leonia, NJ and Edgewater, NJ. The coordinators will serve as tutors, intramural sport coaches, and overall mentors to the students in the programs.

Proposed Recipient: Liberty Science Center (LSC)

Address: 222 Jersey City Boulevard, Jersey City, NJ 07305-4626

Project Title: Integrated STEM Curriculum Development

Amount Requested: \$500,000

Justification: Funds will be used to purchase equipment for year-round partnerships with several local school districts.

Proposed Recipient: Little Ferry, NJ

Address: 215-217 Liberty Street, Little Ferry, NJ 07643

Project Title: Police, Fire and EMS Communications System

Amount Requested: \$550,000

Justification: Funding would provide for a state-of-the-art digital public safety communications system for its Police, Fire and EMS Departments. This communications system will replace an existing outdated system that will serve the critical needs of the Police, Fire and EMS Departments for many years to come and with the installation of a module, it will be fully interoperable with the State of New Jersey's communication system that is currently being developed.

Proposed Recipient: Lodi, NJ

Address: 1 Memorial Drive, Lodi, NJ 07644

Project Title: Installation of New Sewer Line Along Main Street

Amount Requested: \$750,000

Justification: This project will fund the correction of an antiquated and flawed sewer design, which causes frequent road flooding and backup of sewerage into surrounding residential homes and an elementary school.

Proposed Recipient: Lodi, NJ

Address: 1 Memorial Drive, Lodi, NJ 07644

Project Title: Solar panels for the Lodi Municipal Complex

Amount Requested: \$1,000,000

Justification: Funding would be used to install solar panels upon the roof of Lodi's municipal complex, reducing energy costs.

Proposed Recipient: Lyndhurst, NJ

Address: 367 Valley Brook Avenue, Lyndhurst, NJ 07071

Project Title: Lyndhurst Train Station Project

Amount Requested: \$1,000,000

Justification: This project would fund construction of a renovated and commuter friendly train station with ADA-compliant access, which will increase train ridership on the NJ Transit line into Secaucus Junction and Penn Station in mid-town Manhattan.

Proposed Recipient: McGuire AFB/ Joint Base

Address: Headquarters, 87th Air Base Wing McGuire AFB, NJ 08640

Project Title: Base Ops / Command Post Facility

Amount Requested: \$18,000,000

Justification: Funds will be used to construct a command post facility that will support the currently increasing mission load of the Joint Base. The current post facility lacks enough space to carry out missions and has experienced damage from flooding 3 times in 10 years.

Proposed Recipient: McGuire AFB/ Joint Base

Address: Headquarters, 87th Air Base Wing McGuire AFB, NJ 08640

Project Title: Dormitory – Joint Base - McGuire

Amount Requested: \$8,000,000

Justification: Funds will be used to build a dormitory that will provide 120 enlisted airmen with living quarters on McGuire Air Force Base.

Proposed Recipient: McGuire AFB/ Joint Base

Address: Headquarters 87th Air Base Wing, McGuire AFB, NJ 08640

Project Title: Electrical Distribution System ‐ Phase II

Amount Requested: \$7,600,000

Justification: Funds will provide for the construction of an upgraded and underground electrical system that will prevent numerous power difficulties the base currently faces.

Proposed Recipient: McGuire AFB/ Joint Base

Address: Headquarters, 87th Air Base Wing McGuire AFB, NJ 08640

Project Title: Munitions Storage Facility

Amount Requested: \$8,300,000

Justification: Funds will provide for the renovations and upgrades of the Munitions Storage Facility on McGuire Air Force Base. Bunker doors, alarm systems, security systems, lighting systems and bunker roofs need to be replaced.

Proposed Recipient: Meadowlands Regional Chamber of Commerce

Address: 201 Route 17 North, Rutherford, NJ 07070

Project Title: Meadowlands JOBS Opportunity Program

Amount Requested: \$200,000

Justification: Funding will allow for the continuation of the Meadowlands JOBS Opportunity Program, which is an active and successful initiative to provide small businesses with assistance in recruiting and training employees. Chamber staff conduct employment surveys, identify training needs, and design marketing and awareness programs aimed at both employers and job seekers in the surrounding communities.

Proposed Recipient: Monmouth University

Address: 400 Cedar Avenue, Wilson Hall, West Long Branch, NJ 07764

Project Title: Dynamic Information Visualization Project

Amount Requested: \$4,000,000

Justification: Funds will be used for development and field testing of a prototype product to enable effective display and rapid sharing of chemical and biological sensor data among tactical decision makers deployed in combat theaters or in homeland defense operations centers.

Proposed Recipient: Monmouth University

Address: 400 Cedar Avenue, Wilson Hall, Room 201, West Long Branch, NJ 07764

Project Title: Mid-Atlantic Regional Coastal Community and Ocean Ecosystem Initiative

Amount Requested: \$3,000,000

Justification: This initiative will support the development of regional ecosystem and marine spatial planning management approaches, and community-based strategies to adapt to coastal hazards and inundation.

Proposed Recipient: Monmouth University

Address: 400 Cedar Avenue, West Long Branch, NJ 07764

Project Title: Monmouth University

Amount Requested: None Specified/Competitive Grant

Justification: Funding would be used to build upon Monmouth University's well established and highly recognized international social work outreach program, including the Women of Faith project as well as a partnership with Israeli and Palestinian institutions of higher learning and businesses to increase workforce development skills and economic productivity in that region.

Proposed Recipient: Monmouth University

Address: 400 Cedar Avenue, West Long Branch, NJ 07764

Project Title: School of Science Initiative

Amount Requested: \$3,600,000

Justification: This project would fund new laboratory space and renovations of laboratory facilities in support of Science, Technology, Engineering and Math (STEM) programs.

Proposed Recipient: Monmouth University

Address: 400 Cedar Avenue, West Long Branch, NJ 07764

Project Title: Veterans Coming Home Initiative

Amount Requested: \$500,000

Justification: Funds will be used to set up a graduate-level program at Monmouth University's Social Work School. The program's curriculum aims to aid returning active duty veterans and their families' transition back into civilian life through education and training.

Proposed Recipient: National Center for Manufacturing Sciences (NCMS)

Address: 2029 K Street NW, 7th Floor, Washington DC 20009

Project Title: Wireless Health and Usage Monitoring Systems for Condition Based Maintenance of Army Helicopters

Amount Requested: \$3,000,000

Justification: This program will dramatically improve operational safety of Army helicopters in both training and combat operations, while concurrently supporting cost reduction through condition-based maintenance.

Proposed Recipient: National District Attorneys Association

Address: 44 Canal Center Plaza, Suite 110, Alexandria, VA 22314

Project Title: State and Local Prosecutors Training Program at the National Advocacy Center

Amount Requested: \$4,750,000

Justification: This is a joint venture of the National District Attorneys Association and the U.S. Department of Justice to provide prosecutors across all levels with the training needed to most effectively perform their duties. When fully funded, the NDAA can conduct 40 courses at the NAC annually and train 3,000 state and local prosecutors.

Proposed Recipient: National Urban Air Toxics Research Center

Address: P. O. Box 20286, Houston, Texas 77225

Project Title: Human Exposure to Air Toxics Research

Amount Requested: \$3,000,000

Justification: This project would fund the Center's FY11 research program, which will fill critical gaps in understanding air toxics exposures in children that attend schools near busy roadways, border area residents, port neighborhoods, and residents living near oil and gas production sites.

Proposed Recipient: New Jersey Air National Guard – 177th Fighter Wing

Address: 101 Eggerts Crossing Way Lawrenceville, NJ 07648

Project Title: Fuel Cell and Corrosion Control Hanger

Amount Requested: \$8,500,000

Justification: Funds will provide for the renovation of the Fuel Cell and Corrosion Control Hanger located in Lawrenceville at the 177th Fighter Wing. Proper heating, electrical, plumbing, compressed air systems, mechanical ventilation, fume sensing alarm systems, fire extinguishing and wash-down drains will be installed in this facility by this request.

Proposed Recipient: New Jersey Army National Guard

Address: 101 Eggerts Crossing Way Lawrenceville, NJ 07648

Project Title: United States Property and Fiscal Office Complex

Amount Requested: \$3,490,000

Justification: This project will provide for the construction of a permanent New Jersey Guard operating office that will serve the peace time and war time missions of the New Jersey Army National Guard.

Proposed Recipient: New Jersey Association of School Resource Officers

Address: P.O. Box 2103, Fort Lee, NJ 07024

Project Title: SPEAK UP Hotline Outreach and Public Education

Amount Requested: \$950,000

Justification: SPEAK UP is a national hotline (1-866-SPEAK-UP) and text-messaging platform for students to anonymously report weapon-related threats in their schools and communities. This funding will enhance services.

Proposed Recipient: New Jersey Audubon Society

Address: 9 Hardscrabble Road, Bernardsville, New Jersey 07924

Project Title: Cape May National Wildlife Refuge

Amount Requested: \$2,000,000

Justification: Funding will be used to acquire the 620 acre Hanson Aggregates property, within the approved acquisition boundary of the Cape May National Wildlife Refuge. This parcel contains important species of trees and other rare plant communities, as well as threatened and endangered birds and amphibian species.

Proposed Recipient: New Jersey Audubon Society

Address: 9 Hardscrabble Road, Bernardsville, New Jersey 07924

Project Title: Edwin B. Forsythe National Wildlife Refuge

Amount Requested: \$1,375,000

Justification: Funding will be used to acquire 139 acres known as the Great Creek Road Parcel adjacent to the Edwin B. Forsythe National Wildlife Refuge in Atlantic County, New Jersey, within the approved acquisition boundary. The parcel provides critical habitat for migratory birds and helps maintain the integrity of the groundwater infiltration and discharge system in the watershed.     

Proposed Recipient: New Jersey Audubon Society

Address: 9 Hardscrabble Road, Bernardsville, New Jersey 07924

Project Title: Edwin B. Forsythe National Wildlife Refuge-West Creek Parcel

Amount Requested: \$350,000

Justification: Funding will be used to acquire 79 acres known as the West Creek Parcel adjacent to the Edwin B. Forsythe National Wildlife Refuge in Ocean County, New Jersey for inclusion in the Refuge.

Proposed Recipient: New Jersey Audubon Society

Project Title: Great Swamp National Wildlife Refuge

Address: 9 Hardscrabble Road, Bernardsville, New Jersey 07924

Amount Requested: \$1,100,000

Justification: Funding will be used to complete the acquisition of an 18 acre parcel adjacent to the Great Swamp National Wildlife Refuge (and for inclusion in the Refuge), which provides critical habitat for numerous rare species, as well as office space for USFWS employees.

Proposed Recipient: New Jersey Audubon Society

Address: 9 Hardscrabble Road, Bernardsville, New Jersey 07924

Project Title: Wallkill River National Wildlife Refuge

Amount Requested: \$1,750,000

Justification: Funding will be used to acquire 165 acres known as the Kenely Property adjacent to the Wallkill River National Wildlife Refuge in Sussex County, New Jersey, within the approved acquisition boundary.

Proposed Recipient: New Jersey Innovative Technology Consortium (NJITC)

Address: 3159 Shrader Road, Dover, NJ 07801

Project Title: Scaleable Efficient Power for Armament Systems and Vehicles Dual Use

Amount Requested: \$9,800,000

Justification: Funds will go toward the development of high power, high energy lithium ion battery technology. This lithium ion advanced power system will be safer, lighter, more powerful, more efficient, and more environmentally friendly than current batteries used by the military.

Proposed Recipient: New Jersey Institute of Technology

Address: University Heights, 350 Fenster Hall, Newark, NJ 07102

Project Title: Agent Defeat by Energetic Nano-Materials (ADEN)

Amount Requested: \$2,000,000

Justification: Funds will go toward the development of a weapons system capable of destroying chemical and biological agent munitions stockpiles and respective facilities without releasing the targeted lethal agents, thus protecting U.S. troops and civilian populations.

Proposed Recipient: New Jersey Institute of Technology

Address: University Heights, 350 Fenster Hall, Newark, NJ 07102

Project Title: The Nano Advanced Cluster Energetics program (ν-ACE™)

Amount Requested: \$5,000,000

Justification: Funds will used to support cutting edge nanotechnology in order to create munitions that are more efficient, lighter weight, safer, and more environmentally friendly than today's.

Proposed Recipient: New Jersey National Guard

Address: 101 Eggerts Crossing Road, Lawrenceville, NJ, 08648-2805

Project Title: One Air Force/One Network

Amount Requested: \$2,000,000

Justification: This project will upgrade the communications infrastructure of the New Jersey Air National Guard at Atlantic City, making its networks interoperable with other Air Force units, and increasing its capability to undertake defense and homeland security missions.

Proposed Recipient: New Jersey National Guard

Address: 101 Eggerts Crossing Road, Lawrenceville, NJ, 08648-2805

Project Title: Virtual Interactive Combat Environment (VICE) Training Systems

Amount Requested: \$4,100,000

Justification: Funds will procure VICE training systems for the Army National Guard at Fort Dix, NJ. This includes all hardware, software, media as well as installation and support. Using the VICE training system will result in better trained, more capable troops before they deploy overseas.

Proposed Recipient: New Jersey State Association of Chiefs of Police

Address: One Greentree Centre, Suite 201, Marlton, NJ 08053

Project Title: Command Officers Development Course

Amount Requested: \$280,000

Justification: Funding would be used to develop and underwrite an advanced police management and administration development program for New Jersey police administrators. Many police administrators will shortly be retiring across the state. This program will allow for the training of their replacements and provide for seamless transition of administrative duties.

Proposed Recipient: New Jersey Transit

Address: 1 Penn Plaza East, Newark, NJ 07105

Project Title: Access to Region's Core (ARC) Tunnel

Amount Requested: \$200,000,000

Justification: This project would fund construction of a 9.2-mile commuter rail extension and tunnel from Secaucus, NJ to Midtown Manhattan.

Proposed Recipient: New Jersey Transit

Project Title: Bergen Intermodal Improvements

Address: 1 Penn Plaza East, Newark, NJ 07105

Amount Requested: \$20,000,000

Justification: This project will help to Address the transportation needs of Bergen County residents through improvements made to public transit.

Proposed Recipient: New Jersey Transit

Address: 1 Penn Plaza East, Newark, NJ 07105

Project Title: Hudson Bergen Light Rail Expansion

Amount Requested: \$5,000,000

Justification: This project would fund planning work associated with the construction of the extension of Hudson-Bergen Light Rail to selected areas of northern New Jersey where light rail ridership is most heavily used and there is significant redevelopment.

Proposed Recipient: New Jersey Transit

Address: 1 Penn Plaza East, Newark, NJ 07105

Project Title: Northern Branch Study

Amount Requested: \$5,000,000

Justification: This project would fund planning work associated with the construction of the Northern Branch project, which is a 10-mile passenger rail service extending from North Bergen in Hudson County to Tenafly in Bergen County

using the existing CSX Northern Branch corridor.

Proposed Recipient: New Milford, NJ

Address: 930 River Road, New Milford, NJ 07646

Project Title: Radio System Interoperability Project

Amount Requested: \$91,000

Justification: Request is for the purchase and installation of police radio system equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Newark, NJ

Address: 920 Broad Street, Newark, NJ 07102

Project Title: Newark Police Surveillance Camera Project

Amount Requested: \$1,500,000

Justification: Funding will allow the City of Newark to purchase and install 50 security cameras to be placed around the city. The primary purpose of this project is to use cutting edge techniques to evaluate the effectiveness of camera surveillance in reducing urban crime.

Proposed Recipient: North Arlington, NJ

Address: 214 Ridge Road, North Arlington, NJ 07031

Project Title: Cops in Schools and Cops on the Street

Amount Requested: \$500,000

Justification: Funding will allow officers to monitor schools, homeland security concerns, and add officers to patrol the Borough and to reduce crime.

Proposed Recipient: North Bergen, NJ

Address: 4233 Kennedy Boulevard, North Bergen, NJ 07047

Project Title: Energy Efficient Renovations for New Courtrooms

Amount Requested: \$850,000

Justification: Funding would provide energy efficient renovations, upgrades, and improvements for the conversion of an old bank into courtrooms.

Proposed Recipient: North Bergen, NJ

Address: 4233 Kennedy Boulevard, North Bergen, NJ 07047

Project Title: Lighting Upgrades in North Bergen Schools

Amount Requested: \$840,480

Justification: Funding would replace energy inefficient lighting at the North Bergen high school and its six elementary schools.

Proposed Recipient: North Hudson Sewerage Authority

Address: 1600 Adams Street, Hoboken, NJ 07030

Project Title: Grand Street Wood Sewer Rehabilitation Project

Amount Requested: \$950,000

Justification: This project will provide additional system storage capacity and reduce combined sewer overflows in the City of Hoboken while safeguarding the Hudson River waterway.

Proposed Recipient: Ohel Children's Home and Family Services

Address: 4510 16th Avenue, Brooklyn, NY 11204

Project Title: Military Family Wellness Initiative

Amount Requested: \$1,650,000

Justification: Funding would help the Ohel Military Family Wellness Initiative to serve soldiers and their families in New York and New Jersey, providing psychological counseling to Address mental and emotional disorders among soldiers and in military families.

Proposed Recipient: Ohel Children's Home & Family Services

Address: 696 Palisade Avenue, Teaneck, NJ 07666

Project Title: Ohel Violence Prevention Program

Amount Requested: \$425,000

Justification: The program benefits at-risk children including those who are the victims of abuse or who are confronted with challenging circumstances in their lives and provides rehabilitation so that these experiences do not lead to ongoing, destructive behavior.

Proposed Recipient: Palisades Medical Center

Address: 7600 River Road, North Bergen, NJ 07047-6217

Project Title: Backup Generator Project

Amount Requested: \$411,000

Justification: Funds will be used to install a new generator at Palisades Medical Center, which will ensure that critical hospital services that require electrical power will remain available in the event of a power outage, natural disaster or other emergency.

Proposed Recipient: Palisades Medical Center

Address: 7600 River Road, North Bergen, NJ 07047-6217

Project Title: CT Scan Installation Project

Amount Requested: \$610,500

Justification: Funds will be used for the installation of a backup CT Scanner at Palisades Medical Center (PMC). The new CT scanner will help to meet the needs of PMC's patients by alleviating bottlenecks during periods of peak demand, and by serving as a backup to our hospital's existing CT scanner.

Proposed Recipient: Palisades Medical Center

Address: 7600 River Road, North Bergen, NJ 07047-6217

Project Title: Interactive Patient Information Project

Amount Requested: \$565,500

Justification: Funds will be used for interactive, multi-lingual communications technology to help the hospital provide linguistically appropriate and culturally sensitive healthcare to a predominantly lower-income, largely Hispanic patient population having limited English language skills.

Proposed Recipient: Passaic County, NJ

Address: 401 Grand Street, Paterson, NJ 07505

Project Title: Passaic County Renewable Energy Initiative

Amount Requested: \$250,000

Justification: Funding would be used to develop the necessary governmental capabilities to implement a county renewable energy initiative.

Proposed Recipient: Passaic County Prosecutor's Office

Address: 401 Grand Street, 7th Floor, Paterson, NJ 07505

Project Title: Passaic County Automated License Plate Recognition (ALPR) Technology Project

Amount Requested: \$200,000

Justification: Funding from this request will allow Passaic County to equip the patrol fleet with state of the art automated license plate reader camera systems. This would greatly increase the efficiency of police patrols.

Proposed Recipient: Passaic County Prosecutor's Office

Address: 401 Grand Street, 7th Floor, Paterson, NJ 07505

Project Title: Passaic County Communications Interoperability Project

Amount Requested: \$400,000

Justification: Request is for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Passaic County Sheriff's Department

Address: 435 Hamburg Turnpike, Wayne, NJ 07470

Project Title: Passaic Valley Water Commission Security Upgrade Initiative

Amount Requested: \$1,500,000

Justification: Funds will provide for the installation of new high security fencing at the main electrical substation at the Little Falls Water Treatment Plant (LFWTP) and to continue with the installation of up to twenty two additional cameras. This will provide constant surveillance and protection of the treatment plant and critical remote facilities.

Proposed Recipient: Passaic River Coalition

Address: 94 Mt. Bethel Road, Warren, NJ 07059

Project Title: Planning for Sustainable Communities along the Lower Passaic River

Amount Requested: \$295,000

Justification: This project will identify opportunities for economic growth along the waterfront which will help create jobs.

Proposed Recipient: Passaic Valley Sewerage Commission (PVSC)

Address: 600 Wilson Avenue, Newark, NJ 07105

Project Title: Combined Sewage Overflow Project

Amount Requested: \$1,000,000

Justification: This project would fund expanding the capacity of the PVSC Wastewater Treatment plant from 368 million gallons per day (mgd) to 700 mgd, which will reduce combined sewage overflows by 332 mgd in storms, reducing the amount of debris washing up on New Jersey beaches.

Proposed Recipient: Passaic Valley Water Commission

Address: 1525 Main Avenue, Clifton, New Jersey 07011

Project Title: Hydro-electric Generator Repair Project

Amount Requested: \$360,000

Justification: This project would fund much needed repairs to Passaic Valley Water Commission (PVWC)'s hydro-electric generators.

Proposed Recipient: Picatinny Arsenal

Address: Building 171 Picatinny Arsenal, NJ 07806

Project Title: Emergency Services Center (ESC) – Phase II

Amount Requested: \$9,300,000

Justification: Funds will be used to provide for the construction of a new emergency facility at Picatinny Arsenal. The current building is inadequate for providing emergency services dispatching, detention, records and administration, and evidence depository.

Proposed Recipient: Picatinny Arsenal

Address: Joint Lightweight 155 Office, Picatinny Arsenal, NJ 07806

Project Title: Man Portable IMU for Precision Targeting Applications

Amount Requested: \$2,000,000

Justification: Funds will help scientists at Picatinny Arsenal to continue to develop precision artillery rounds. Making these munitions more accurate will save money and lives.

Proposed Recipient: Picatinny Arsenal

Address: Picatinny Arsenal, NJ 07806

Project Title: Solid State W Band Development: Non-Lethal Systems

Amount Requested: \$2,500,000

Justification: The solid state W-band system will provide U.S. mobile ground forces engaged in operations in Iraq and Afghanistan with a compact, extended range, non-lethal system to maintain order and protect our forces without causing destabilizing collateral casualties.

Proposed Recipient: Police Athletic League (PAL) of New Jersey, Inc.

Address: 180 South Street, Freehold, NJ 07728

Project Title: PAL - After School - Non School Hours Project

Amount Requested: \$1,500,000

Justification: PAL Chapters throughout New Jersey will participate in an after-school program that will Address anti-gang activities, anti-obesity measures, and constructive after-school recreation, cultural and social activities under the guidance of Police Officers and Community Volunteers.

Proposed Recipient: Polymer Processing Institute

Address: GITC Building, Suite 3901, New Jersey Institute of Technology, Newark, NJ 07102

Project Title: Advanced Foamed Celluloid Technology

Amount Requested: \$3,000,000

Justification: Funds will help to develop a new class of high performance combustible material, offering warfighters a weight-reducing and cost-saving alternative for a wide range of military applications.

Proposed Recipient: Port Authority of New York and New Jersey

Address: 225 Park Avenue, South New York, NY 10003

Project Title: George Washington Bridge Replacement of Deck Joints

Amount Requested: \$1,487,000

Justification: Funding would replace twenty deteriorated deck joints on the George Washington Bridge.

Proposed Recipient: Prostate.Net

Address: 835 Summit Avenue, Hackensack, NJ 07601

Project Title: The Barbershop Initiative

Amount Requested: \$621,600

Justification: Funds will support a national program that increases awareness about prostate cancer and the benefits of early detection to men, with a focus on medically underserved populations.

Proposed Recipient: Ramapo College of New Jersey

Address: 505 Ramapo Valley Rd. Mahwah, NJ 07430

Project Title: Biology Laboratory Equipment

Amount Requested: \$475,000

Justification: Funds will be used to purchase and install scientific equipment, fume hoods, lab benches and lab cabinetry in an updated biology laboratory at Ramapo College of NJ. The project's objective is to provide a state of the art biology lab for science majors replacing a 40 year old obsolete lab.

Proposed Recipient: Ramapo College

Address: 145 College Road, Suffern, NY 10901

Project Title: Energy Efficient Roof Replacement

Amount Requested: \$400,000

Justification: Funding would be used to replace and upgrade the 40 year-old roof of Ramapo College's Science Building with a more energy-efficient model.

Proposed Recipient: Rape, Abuse & Incest National Network (RAINN)

Address: 2000 L Street NW, Suite 406, Washington, DC 20036

Project Title: Hotline services for victims of sexual violence and rape prevention programs

Amount Requested: \$3,000,000

Justification: Funding will be used to expand services of RAINN's sexual assault hotline, provide continued technical assistance to local rape crisis centers and ensure that the National Sexual Assault Telephone Hotline continues to provide quality services.

Proposed Recipient: Reach Out And Read

Address: 56 Roland Street, Suite 100 D, Boston, MA 02129

Project Title: Reach Out And Read

Amount Requested: \$10,000,000

Justification: Funds will be used for a national program that promotes literacy and language development in infants and

young children, targeting disadvantage and poor children and families.

Proposed Recipient: Reading Is Fundamental, Inc. (RIF)

Address: 1825 Connecticut Avenue NW, Suite 400, Washington, DC 20009

Project Title: Reading Is Fundamental

Amount Requested: \$28,000,000

Justification: Funds will be used to deliver free books and literacy resources to low-income children and families. Currently, there are 1.5 million children waiting to receive RIF services. With this level of funding, RIF would be able to serve these children and create new programs in communities with limited or no access to books or literacy resources.

Proposed Recipient: Ridgefield, NJ

Address: 604 Broad Avenue, Ridgefield, NJ 07657

Project Title: Pembroke and Ravenhill Sanitary Sewer Replacement

Amount Requested: \$60,500

Justification: Funding would be used to replace a deteriorated sanitary sewer located on the west slope of the Palisades. This fifty year-old pipe contains a significant number of roots coming through the pipe joints, numerous cracks and a broken pipe section near a joint.

Proposed Recipient: Ridgefield, NJ

Address: 604 Broad Avenue, Ridgefield, NJ 07657

Project Title: Ridgefield Energy Efficient Window Upgrade

Amount Requested: \$100,000

Justification: This project would fund the replacement and upgrade of windows at municipal buildings including the Borough Hall, Recreation and Pool Complex, Community Center, and Public Safety facilities.

Proposed Recipient: Ridgefield, NJ

Address: 604 Broad Avenue, Ridgefield, NJ 07657

Project Title: Greenhouse Gas Reduction Program

Amount Requested: \$10,000

Justification: This project would fund installation of energy saving devices for pool pumps and roof top air conditioners.

Proposed Recipient: Ridgefield School District

Address: 555 Chestnut Street, Ridgefield, NJ 07657

Project Title: Ridgefield School District Science Lab Project

Amount Requested: \$300,000

Justification: Funds will be used to purchase resources for four science labs at Ridgefield Memorial High School, including hardware, computers, laboratory equipment and technology.

Proposed Recipient: Ridgefield Park, NJ

Address: 234 Main Street, Ridgefield Park, NJ 07660

Project Title: Pistol Range Equipment Upgrade

Amount Requested: \$250,000

Justification: Funding would provide for an equipment upgrade for the Police Department Pistol Range, which is utilized to conduct semi-annual mandated firearm's qualifications. The range would also be able to serve as a training facility to train law enforcement officers from the surrounding area.

Proposed Recipient: Ridgewood, NJ

Project Title: Rehabilitate Existing Sewer System

Address: 131 North Maple Avenue, Ridgewood, NJ 07451

Amount Requested: \$400,000

Summary: Funding would be used to prevent ground water from seeping into 100 year-old sewer pipes causing sewage overflows at Ridgewood Bellair Pump Station into the Diamond Brook which flows into the Passaic River.

Proposed Recipient: Robert Wood Johnson University Hospital

Address: One Robert Wood Johnson Place, New Brunswick, NJ, 08903

Project Title: Mass Casualty First Responders Disaster Surge Technology Program

Amount Requested: \$3,000,000

Justification: Radio-Frequency Identification (RFID) uses radio waves to accurately locate, identify, and track individual objects in real-time. This program will allow the Department of Defense to use sophisticated RFID technology to deal with many of the challenges associated with a mass casualty event, as well as with routine hospital operations within its medical command.

Proposed Recipient: Rutgers University

Address: 83 Somerset Street, New Brunswick, NJ 08901

Project Title: Combat Ration Supplements for Improved Physical and Cognitive Performance Using Nanodelivery Systems to Improve Bioavailability

Amount Requested: \$2,000,000

Justification: This project seeks to develop combat rations for warfighters that will increase their physical and cognitive performance.

Proposed Recipient: Rutgers University

Address: 88 Lipman Drive, New Brunswick, NJ 08901

Project Title: New Jersey Blueberry and Cranberry Breeding and Insect and Disease Management

Amount Requested: \$650,000

Justification: Funds will assist with research on breeding and pest management for New Jersey blueberry and cranberry farms, providing continued support for the \$50 million a year industry.

Proposed Recipient: Rutgers University

Address: 88 Lipman Drive, New Brunswick, NJ 08901

Project Title: New Jersey Urban-Suburban Extension

Amount Requested: \$1,000,000

Justification: Intense urban development, energy demands, and population density have negatively affected New Jersey's environment. The Urban-Suburban Extension Program will target the populations in many NJ counties, delivering solutions to help municipalities solve their environmental problems. This project seeks to create a comprehensive needs assessment, specifically regarding water resources issues, green jobs training, restoration and urban ecology, targeting parks, opens space rooftops, and vacant lots.

Proposed Recipient: Rutgers University

Address: 83 Somerset Street, New Brunswick, NJ 08901

Project Title: University Center for Disaster Preparedness and Emergency Response

Amount Requested: \$5,500,000

Justification: Funds will help to develop the University Center for Disaster Preparedness and Emergency Response, a collaborative initiative that seeks to protect the lives, health, and well-being of the public and the infrastructure of New Jersey and the nation through research, education, community outreach and clinical advances in preparedness/response to all-hazards emergencies, disasters, and terrorism.

Proposed Recipient: Rutherford, NJ

Address: 176 Park Avenue, Rutherford, NJ 07070

Project Title: Borough Buildings Energy Efficiency Improvements

Amount Requested: \$180,000

Justification: Funding would be used to upgrade various portions of the Rutherford Borough Library, Police and Health Departments, and Ames Avenue Firehouse. The improvements consist of lighting and HVAC system upgrades that will reduce energy costs.

Proposed Recipient: Rutherford, NJ

Address: 176 Park Avenue, Rutherford, NJ 07070

Project Title: Borough Hall Energy Efficiency Improvements

Amount Requested: \$950,000

Justification: Funding would be used to make energy efficient upgrades to various portions of the Rutherford Borough Hall, which was constructed in the 1890's. The improvements consist of window replacements, HVAC system upgrades and insulation to the roof.

Proposed Recipient: Rutherford, NJ

Address: 176 Park Avenue, Rutherford, NJ 07070

Project Title: 2011 Road Improvement Program

Amount Requested: \$1,753,800

Justification: Funding would be used to resurface five streets in the Borough of Rutherford that have been determined to be in extremely poor condition.

Proposed Recipient: Rutherford Board of Education

Address: 176 Park Avenue, Rutherford, NJ 07070

Project Title: Rutherford High School Pool Facility Energy Upgrade Program

Amount Requested: \$525,000

Justification: This project would fund elements in a comprehensive set of interrelated energy upgrades including a pool cover, improved dehumidification system, solar arrays and an improved water boiler.

Proposed Recipient: Rutherford Board of Education

Address: 176 Park Avenue, Rutherford, NJ 07070

Project Title: Rutherford High School Window Replacement Project

Amount Requested: \$705,000

Justification: This project would fund the purchase and installation of energy efficient windows.

Proposed Recipient: Saddle Brook, NJ

Address: 63 Market Street, Saddle Brook, NJ 07663

Project Title: Communications Equipment and Community Alerting System

Amount Requested: \$250,000

Justification: Request is for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies.

Proposed Recipient: Saddle Brook, NJ

Address: 93 Market Street, Saddle Brook, New Jersey 07663

Project Title: Drainage Outfall Improvements.

Amount Requested: \$55,000

Justification: This project would fund the construction of check valves at two drainage outfall lines which will ease the persistent flooding occurring in Saddle Brook.

Proposed Recipient: Saddle Brook, NJ

Address: 93 Market Street, Saddle Brook, New Jersey 07663

Project Title: Replace Potable Water line Infrastructure

Amount Requested: \$2,000,000

Justification: Funding will be used to repair or replace up to two miles of water lines that are prone to collapse and breaks at various locations throughout the Township.

Proposed Recipient: Saddle Brook, NJ

Address: 93 Market Street, Saddle Brook, New Jersey 07663

Project Title: Storm Drain Replacements/Improvements

Amount Requested: \$2,000,000

Justification: Funding would be used to replace and repair storm drain inlets and pipes at 200 locations throughout Saddle Brook Township.

Proposed Recipient: Saddle Brook, NJ

Address: 63 Market Street, Saddle Brook, NJ 07663

Project Title: Video Recording Equipment

Amount Requested: \$135,000

Justification: Funding would provide for a closed circuit camera and license plate recognition system, which will allow monitoring of vehicles and the general public in areas on and around the public county roadway and entrance to the police facility. The mobile video recording systems installed in all police patrol vehicles would record all emergency police vehicle response incidents and interactions with motorists and be integrated into the police computer network system.

Proposed Recipient: Saddle Brook, NJ

Address: 93 Market Street, Saddle Brook, New Jersey 07663

Project Title: Wastewater-sewer Infrastructure

Amount Requested: \$2,000,000

Justification: Funds will be used to prevent sewer back-up and flooding in Saddle Brook by upgrading the sewer system.

Proposed Recipient: Saint Peter's College

Address: 2641 Kennedy Boulevard, Jersey City, NJ 07306

Project Title: Center for Microplasma Science and Technology (CMST)

Amount Requested: \$ 1,500,000

Justification: The establishment of the CMST at Saint Peter's College has created a national base of operations to help mediate and comprehensively organize all national research efforts in this field for defense and other national interests. Funds will help to expand the Center, which serves as a meeting point to host scientific meetings, classes, workshops, and conferences.

Proposed Recipient: Saint Peter's College

Address: 2641 Kennedy Blvd. Jersey City, NJ 07306

Project Title: Expanding Capacity and Improving Nursing Education through Simulation Technology

Amount Requested: \$1,100,000

Justification: Funds will support nursing education at the Saint Peter's College School of Nursing, Addressing the critical nursing shortage in New Jersey and across the nation, while improving patient outcomes.

Proposed Recipient: Saint Peter's College

Address: 333 Hudson Terrace, Englewood Cliffs, NJ 07632

Project Title: Urban Sustainability Demonstration Project

Amount Requested: \$1,677,000

Justification: The project would fund creation of an academic program focused on urban environmental sustainability.

Proposed Recipient: Save Ellis Island

Address: 500 International Drive, Suite 350 Mt. Olive, NJ 07828

Project Title: Baggage and Dormitory Building Planning

Amount Requested: \$500,000

Justification: Funding would be used for architectural and program planning for rehabilitation of the Baggage and Dormitory building on Ellis Island. The Baggage and Dormitory Building will be the main program and conference space for the Ellis Island Institute.

Proposed Recipient: Save Ellis Island

Address: 500 International Drive, Suite 350 Mt. Olive, NJ 07828

Project Title: Ellis Island Institute Program Expansion 

Amount Requested: \$500,000

Justification: The project will fund opening the currently unavailable Ellis Island south side to the general public, students and teachers and expand Ellis Island Institute programming.

Proposed Recipient: Save Latin America

Address: 3510 Bergenline Avenue, Union City, NJ 07087

Project Title: Family Health Festival Series

Amount Requested: \$250,000

Justification: Through the Family Health Festivals Program, Save Latin America seeks to reduce disparities in the health care available to underserved populations, by organizing community health events where uninsured low income

residents can access an array of health and social services information, obtain free health and mental health screenings, and learn about chronic diseases, prevention and available treatments.

Proposed Recipient: SEARCH

Address: 7311 Greenhaven Drive, Suite 145, Sacramento, CA 95831

Project Title: The National Institute for Communications Interoperability Emergency Preparedness

Amount Requested: \$1,000,000

Justification: These funds would support a pilot program, to provide training, certification, and outreach programs to the state, regional, and local coordinators in the first responder community who have been charged with overseeing communications interoperability efforts.

Proposed Recipient: Secaucus, NJ

Address: 1203 Paterson Plank Road, Secaucus, N. J. 07094

Project Title: Golden Avenue Stormwater Improvements

Amount Requested: \$400,000

Justification: The project would fund installation of new storm sewer pipes to the Golden Avenue Pump Station, which was recently upgraded to accommodate a 25-year storm.

Proposed Recipient: Secaucus, NJ

Address: 1203 Paterson Plank Road, Secaucus, NJ 07094

Project Title: Secaucus Law Enforcement Project

Amount Requested: \$100,000

Justification: Request is for the purchase and installation of police communications equipment to facilitate interoperable communication with surrounding local, county, state and federal law enforcement agencies. Funding would also be used to upgrade equipment on several police patrol cars.

Proposed Recipient: Seeds of Peace

Address: 370 Lexington Avenue, Suite 401, New York, NY 10017

Project Title: Hadassah University Medical Center

Amount Requested: None Specified/Competitive Grant

Justification: Funding would provide support for scholarships to attend the Seeds of Peace Camp, which trains counselors, facilitators, and participants in communications skills required to advance coexistence training and leadership development. Promoting mutual understanding via people-to-people activities in the Middle East helps to advance the U.S. goal of peace in the Middle East.

Proposed Recipient:Special Olympics International

Address: 1133 19th St. NW Washington, DC 20036

Project Title: Project Unify/ Eunice Kennedy Shriver Institutes

Amount Requested: \$10,000,000

Justification: Funds will be used to extend and enhance the range of activities which support education and activation of youth at all levels to learn, understand and act on behalf of individuals with disabilities.

Proposed Recipient: Statewide Parent Advocacy Network of New Jersey

Address: 35 Halsey Street, Newark, NJ 07102

Project Title: Family to Family (F2F) Health Information Center of New Jersey

Amount Requested: \$200,000

Justification: Family to Family (F2F) is a program that helps families with children and youth with special health care needs to access affordable health insurance and quality health services.

Proposed Recipient: Teaneck, NJ

Address: 818 Teaneck Road, Teaneck NJ 07666

Project Title: Teaneck Road Streetscape

Amount Requested: \$920,000

Justification: The project would fund streetscape enhancement at eight signalized intersections on Teaneck Road. The enhancements include ornamental street lighting, brick paver crosswalks, street shade trees, benches and trash receptacles for bus stops.

Proposed Recipient: Teaneck Police Department

Address: 900 Teaneck Road, Teaneck, NJ 07666

Project Title: Technology Upgrades for Police Cars

Amount Requested: \$270,000

Justification: Laptop computers will enable patrol officers to communicate with their station, other officers and other departments as well as negate an officer's need to be in the station to complete reports thus allowing for a more continuous and visible police presence. Funds will also provide for new dual antenna radar units for squad cars.

Proposed Recipient: Teterboro, NJ

Address: 510 Route 46 West, Teterboro, New Jersey 07608

Project Title: Teterboro Industrial Park

Amount Requested: \$750,000

Justification: This project would fund environmental clean-up of the southern portion of a 60-plus acre site in preparation for mixed-use development.

Proposed Recipient: Teterboro, NJ

Address: 510 Route 46 West, Teterboro, New Jersey 07608

Project Title: Teterboro Industrial Park, Part 2

Amount Requested: \$4,300,000

Justification: The project would fund realigning Industrial Avenue and connecting it with Hollister Road by extending the avenue through US Route 46.

Proposed Recipient: Union County

Address: 300 North Avenue East, Westfield, NJ 07090

Project Title: Emergency Operation Center

Amount Requested: \$1,000,000

Justification: Funding will be used to improve radio communication capabilities of the County's Emergency Operations Center, allowing a more efficient and effective response to emergencies.

Proposed Recipient: Union County

Address: 10 Elizabethtown Plaza, Elizabeth, NJ 07207

Project Title: Kapkowski Road - North Avenue Corridor

Amount Requested: \$2,000,000

Justification: Funding will go to road improvements to accommodate the recent dramatic growth of the city of Elizabeth, NJ.

Proposed Recipient: United Jewish Appeal Federation of Northern New Jersey

Address: 50 Eisenhower Drive, Paramus, NJ 07652

Project Title: Aging-in-Place in Northern New Jersey

Amount Requested: \$450,000

Justification: This funding will support case managers and congregational nurses as they conduct in-home assessments to determine which services are needed to assist older adults who are safely and securely "aging-in-place." This includes home health aides, adult day care, senior transportation, home modifications and community-based social, cultural, educational and recreational programs.

Proposed Recipient: United Jewish Appeal Federation of Northern New Jersey

Address: 50 Eisenhower Drive, Paramus, NJ 07652

Project Title: UJA Northern New Jersey Literacy Project

Amount Requested: \$50,000

Justification: Funds will be used to set up a literacy program in several local school districts to help students with their reading skills.

Proposed Recipient: Valley Hospital

Address: 223 North Van Dien Avenue, Ridgewood, NJ 07540-2736

Project Title: Medical Errors Reduction Initiative

Amount Requested: \$1,000,000

Justification: This project will support the federal goal of further reducing the incidence of medical errors in both civilian and military hospitals by using health information technology to streamline patient throughput, lessen wait times, and reduce overcrowding, while simultaneously studying how these new efficiencies reduce the risk of errors at all levels of the hospital including nursing, diagnostic imaging, physical therapy, and respiratory therapy.

Proposed Recipient: Virtua

Address: 401 Route 73 North, Marlton, NJ 08053

Project Title: Women Veterans and Servicemembers Joint Health Resource Center

Amount Requested: \$3,000,000

Justification: Funds will help to establish a collaborative Women Veterans and Servicemembers Joint Health Resource Center in conjunction with the Warrior Transition Program at Joint Base McGuire-Dix-Lakehurst.

Proposed Recipient: Voices of Septemeber 11th

Address: 161 Cherry Street, New Canaan, CT 06840

Project Title: Voices of September 11th Digital Archive

Amount Requested: \$500,000

Justification: Funds will be used for the 9/11 Living Memorial Digital Archive project which will fund 9/11 community events and technology required to digitally preserve the lives of those lost on September 11, 2001. This information will be incorporated into the future 9/11 memorial in New York City. Funds will also cover staff costs and outreach programs for the Archive.

Proposed Recipient: Wallington, NJ

Address: 24 Union Boulevard, Wallington, NJ 07057

Project Title: Drinking Water Delivery System

Amount Requested: \$917,039.75

Justification: Funding would be used to replace 100 year-old water lines with a new main water line.

Proposed Recipient: Wood-Ridge, NJ

Address: 85 Humboldt Street, Wood-Ridge, New Jersey 07075

Project Title: Restoration of the Arnault-Bianchi House

Amount Requested: \$100,000

Justification: Funding would be used to restore the Arnault-Bianchi House, a unique piece of property in Woodridge, NJ. The Borough is in the process of re-landscaping the property with period plantings and benches.

Proposed Recipient: Wood-Ridge, NJ

Address: 85 Humboldt Street, Wood-Ridge, NJ 07075

Project Title: Wesmont Station

Amount Requested: \$12,000,000

Justification: This project would fund the construction of a new NJ Transit rail station that will service a carefully planned residential community along the Bergen Main Line. The construction of the Station will serve as the sustaining economic catalyst for southern Bergen County jobs, businesses and residences.

Proposed Recipient: Workplace Technology Foundation

Address: 588 N. Gulph Road, Suite 110, King of Prussia, PA 19406

Project Title: One More Way to Drive up Employment for Americans with Disabilities,
Including Veterans

Amount Requested: \$250,000

Justification: Funding will be used for an existing project which helps unemployed people with disabilities find jobs through monthly Tele-seminars, networking programs between jobseekers and employers, and other educational opportunities for employers of persons with disabilities.

Proposed Recipient: Youth Advocate Programs Inc. (YAP)

Address: 2007 North Third Street, Harrisburg, PA 17102

Project Title: The Intensive Supervision and Support Program (ISSP) for Court-Involved Youth

Amount Requested: \$500,000

Justification: YAP provides community-based alternatives for high-risk youth in 17 counties in New Jersey including Hudson and Union. This program will help keep kids in their communities with intensive support, while assisting schools address the needs of "unruly" students and save tax payer dollars as fewer youth will enter the prison and detention systems.
