Washington, DC -- On June 4, 2010, workers at the Chrysler Manufacturing Corporation in Elmwood Park, NJ thanked Congressman Steve Rothman (D-NJ), a member of the House Appropriations Defense Subcommittee, for his support of a strong and well equipped U.S. military. Chrysler is based in Congressman Rothman's Congressional District and is a leader in the manufacturing of aircraft components for the industrial, military, and commercial sectors. Congressman Rothman also thanked Chrysler's workers for helping to keep America safe through the production of critical aircraft parts and technology for our nation's defense.
