Washington, DC – On April 13, 2011, Congressman Steve Rothman (NJ-9) spoke at the Capitol Hill Commemoration of the Armenian Genocide.

Throughout his 15 year- congressional career and as a member of the Congressional Caucus on Armenian issues, Congressman Rothman has called for the U.S. government to officially recognize the systematic and deliberate annihilation of 1.5 million Armenians from 1915 to 1918 by the Ottoman Empire as genocide. Since joining the House Appropriations State and Foreign Operations Subcommittee in 2001, Congressman Rothman has helped secure more than \$800 million in U.S. aid to Armenia.
