Washington, DC
– On May 25, 2011, Congressman Steve Rothman (D-NJ) welcomed Bergen Arts & Science Charter School student and Wood-Ridge resident Parth Shah in the Congressman’s Washington, D.C. office to congratulate him for competing in the New Jersey Science Olympiad and for receiving third place honors in the engineering and math division.

“I am so very proud of Parth for his accomplishments at the Science Olympiad, and the honor he has brought to his family, Wood-Ridge, and the entire state of New Jersey. I know he is destined to achieve great things,” said Congressman Steve Rothman (D-NJ).

The Science Olympiad is an international nonprofit organization devoted to improving the quality of science education. Students from all over New Jersey competed in the March 15, 2011 state tournament in Middlesex County, New Jersey.
