Washington, DC – Congressman Steve Rothman (NJ-9), a member of the House Appropriations Defense Subcommittee, released the following statement:

This week, we honor the 237th Birthday of the United States Army and its role in defending the freedoms and rights that we enjoy today. From the American Revolution and Gettysburg to the wars in Iraq and Afghanistan, the men and women of America's Army have risked their lives and some have the made ultimate sacrifice to protect our nation and our allies throughout the world. The United States Army is the most professional, effective, and honorable military on earth and will continue to make us proud and keep us safe for years to come.
