Washington, DC – On September 11, 2012, Congressman Steve Rothman (NJ-9), met with Katherine Holloway and Cio Dela Riva of Englewood Hospital and Medical Center. They thanked the Congressman for his work on health care reform, and discussed the progress made and challenges faced by hospitals in the area of health information technology. Ms. Holloway and Ms. Riva have been appointed to represent Englewood Hospital for the Advisory Board Fellowship program, which brings together rising health care management leaders from across the country to build business and leadership skills.
