Outstanding Student Leaders from Fair Lawn High Meet their Congressman

Kevin Moser with Rep. Rothman

(Washington, DC)— Last week, Congressman Steve Rothman (D-NJ) welcomed Kevin Moser, Eugene Brodach, and Matt Pursley to his office on Capitol Hill. Kevin (pictured at right), a rising junior at Fair Lawn High School, was in town as part of the National Student Leadership Conference's Intelligence and National Security program at American University.

Eugene and Matt (pictured below), two motivated students who also attend Fair Lawn High School, visited Rothman while in the nation's capital for the National Young Leaders Conference (NYLC).

During the NYLC conference, high-achieving students meet with lawmakers and participate in workshops to help them understand their roles in democracy and the responsibilities of leadership. Congressman Rothman was pleased to meet with all three students and congratulated them on their success.
