STATEMENT OF U.S. REP. STEVE ROTHMAN  
ON THE LONDON BOMBINGS

Washington, D.C. -Congressman Steve Rothman (D-Fair Lawn) released the following statement today on the bombings of the transportation system in London early this morning.

"On behalf of the 650,000 people of the 9th Congressional District, I extend our deepest condolences to the victims of today's terrorist bombings on London's public transportation system. Our thoughts and prayers are with them, their families and friends.

Today's deadly attack in London is a terrible loss for the citizens of London and to all of us around the world. This tragedy hits the homes and hearts of every American and it serves as a reminder that we must continue to stand united and fight terrorism. This is why I continue to fight for the safety of the residents of New Jersey by supporting increased funding for homeland security and by ensuring that our rail system is secured to the fullest degree against the threat of terrorist attack."
