Appropriations Committee

This year, in compliance with new House Appropriations Committee rules and in order to make this process as transparent as possible, I am very proud to post on this website all of these Appropriations Requests that have been sent to the committee for consideration. Please keep in mind that not all projects I request are funded. The committee ultimately decides which projects receive funding.

Below is the list of requests I submitted for Fiscal Year 2011, organized alphabetically by the entity making the request.
