Rothman Calls On Defense Secretary Rumsfeld To Resign

Washington, DC - Congressman Steve Rothman (D-Fair Lawn) today released the following statement calling on Defense Secretary Donald Rumsfeld to resign.

"Given what we now know about the complete mismanagement of the war in Iraq, which has resulted in unnecessary loss of American lives and limbs and has cost tens of billions of dollars more than what was required, I believe that Defense Secretary Donald Rumsfeld should resign. No U.S. military conflict since the 1960's has been as badly managed as this war. The recent revelations of appalling prisoner abuse in Iraq are just further proof that Secretary Rumsfeld has shown himself to be incapable of managing and directing our military."
